BUT I'M STILL GONNA RELEASE MY SPECIAL CHAPTER.
AUTHORS ARE WORKING YOU GUYS SHOULD HAVE MORE RESPECT TO AUTHOR'S SECRETS

BUT IF YOU'VE TURNING THIS SPECIAL WHEN OFF I DON'T HATE ON ME
SHINE
IT'S VERY URGENT AT HERE TO THINK THAT THE READERS CAN TAKE A BREAK BUT THE AUTHOR CAN'T

BUT MAKE I'M NO RUDE, I PROMISE YOU I'M EXCITING AND FUN SPECIAL CHAPTER
THERE ARE A FEW HERE THAT NOT FOR THE SPECIAL CHAPTER SPECIFICALLY, THEY ARE THE UNUSUAL CHAPTERS MORE THAN THE USUAL STORY. DON'T FORGET~

Embarrassing Story 1.

When author send a draft manuscript to Novel, they attach it onto an email. And in the email usual they write in their author's note that is edited in every chapter.
The editor in charge checks that email, checks the manuscript and updates the notes.
Year 2021, January 25th
Like always, author Ha Rang was late for his manuscript deadline and was feeling very excited.
I HAVE SO MUCH...
Already, people were complaining on the comment sections for the new chapter.
His Rang was in some real deep shit.
I HAVE TO SEND IT TO MY EDITOR
After he finished editing the manuscript, he quickly typed up an email

OH, WHAT DO I WRITE FOR THIS CHAPTER'S AUTHOR'S NOTE?
THIS IS ALWAYS SUCH A BOTHER, I CAN NEVER THINK OF ANYTHING
What? SHOULD I WRITE...
SO? BIBLE ADMINISTRATION SECRETLY HATE THESE CORE FACIL ITIES??
THEN FOR THIS CHAPTER'S AUTHOR'S NOTE, I'LL WRITE "I'M SO EXCITED THAT BIBLE ADMINISTRATION IS RACIST"
After Ha Rang sent the email, he relaxed himself down and collapsed on his bed
The beautiful office Ms. A received that email at about lunch time
Of course, without the WARN, Author Ha Rang's manuscript got into the bin.
What he often received was a short email
WITHOUT THE MANUSCRIPT FILE
attached to it.
The 1st reminder from Ha Rang's Manuscript is late.
COOL STORY BRO
Ha Rang was in such a rush that he sent the email without attaching the file
THERE WAS NO FILE ATTACHED
I'M WAITING...
A few minutes later, he got a text from the editor asking him to send the manuscript
Ha Rang was very embarrassed.
ONE OF THE TEN PEOPLE I RESPECT IN THIS WORLD IS KILL EDITOR.
SHINE
THIS AIN'T FLATTERY.

Mike: meeting his deadline, Ha Rang was extremely bored.

So he decided to do a 'fishing' prank!

FISHING-

What is a 'fishing' prank?
Fishing, in a type of joke, usually relates to the word 'money' and is a prank that tricks the victim into thinking that people were giving them money. The fishing prank is when you pretend that you received way more money than you did by editing statements or cash your friend's for money.
The two parts to saying how your friends owed to you more money than they owed. It is Newbie Encouraging genius of Ha Rang.
It is also usually played on guests, and you'll probably get kicked out of their house if you take this too far, so don't try it.

Let's see who's a better target
